

FIBI-STYLE

Fire-Iron

FIBI-Fire Iron

2 pieces short: 45 cm / 0,85 kg

2 pieces long: 78 cm / 1,36 kg

The fire-iron serve as pan-support over an open fire. The steel profiles are placed on stones on the edge of the fire, so that can already be cooked on it.

It is also possible to use the fire-iron on our fire bowl.
